GENERAL NOTICE 6 of 2019

REF: 3/7/6/1/7

14 August 2019

NOTICE TO ALL REGISTERED SOCIAL WORKERS AND SOCIAL AUXILIARY WORKERS

FIT AND PROPER REQUIREMENTS FOR ALL REGISTERED PRACTITIONERS: CPD AUDITS AND REGISTRATION

The SACSSP is embarking on a process of monitoring compliance with regards to CPD as prescribed by section 3 and 14 B(c) of the SSP Act no 110/1978. CPD is linked to registration and Council may on recommendation of the Professional Board remove you from the Register if you do not meet SACSSP's CPD standards as contained in the CPD policy.

The monitoring will be conducted via an audit that requires you to meet the CPD standards, namely:

- a) Carry out regular CPD and keep a record of what you do in the way that is most convenient for you (CPD profile or POE).
- b) Carry out different kinds of learning activities as per CPD policy.
- c) Think about how your CPD might improve your practice and benefit your service users (clients/public).
- d) Take part in an audit if we ask you to. The Board audits a random sample of each profession at every registration renewal.

The process of inviting CPD profiles will commence in September 2019. If you are selected as part of the random sample for audit, we will send you information about completing your CPD profile. You will need to complete and send us your profile by your annual subscription renewal deadline date. If circumstances mean that you cannot take part in an audit, you can make a request to the Registrar to defer your audit. You will have approximately 2 months to complete and send us your profile. A simple step by step guide will be issued so that if you are selected for the audit, you know what is expected of you and also what to expect of the process.

Your support in this initiative will be highly appreciated.
