GENERAL NOTICE 13 of 2020

REF: 3/7/6/1/13

12 October 2020

NOTICE TO:

1. All facilitators of child and youth care work qualifications
2. Higher education and training institutions

Facilitators for Occupational Certificate (OC): Child and Youth Care Worker: ID 99510 level 5

The Professional Board for Child and Youth Care Work is delighted to announce the availability of Child and Youth Care Work learning material, which is pitched at NQF Level 5. In order to ensure quality offering or facilitation of this training material, the Professional Board adopted a principle resolution that for now, facilitators of this OC qualification should be in possession of a Child and Youth Care Work qualification that is at least one level higher than NQF level 5. In other words, people who have NQF level 6 Child and Youth Care qualification or a BTech or higher qualification are eligible to facilitate this learning material.

1. Human Resource requirements for all knowledge and practical modules

Facilitators of learning must be in possession of a recognised qualification that is recognised for the purpose of registering with the appropriate body as a Child and Youth Care Worker.

Facilitators must have at least three years practical experience as practitioners in the field.

2. Administration process

In order for the Council to ensure that those who are recruited as facilitators are suitable, the following process has to be followed:

Service Providers and/or individuals who wish to submit names of potential facilitator/s for approval should forward the documents mentioned below, to MolebohengM@sacssp.co.za:

- Curriculum Vitae (CV),
- Identify document or Passport (certified),
- Registration certificate with SACSSP as Child and Youth Care Worker and a valid practice card to prove current registration (certified).

Social service practitioners with dual registrations are eligible. A letter of approval will be sent to the service provider or individual who has submitted an application for their own record keeping.

Please note:

It is important to note that all facilitators should be trained. Council will only register learners who have been trained by appropriately trained and approved facilitators. Those learners who have been trained by untrained and unapproved facilitators will not qualify for registration with Council.

Your cooperation in this regard is highly appreciated.
