APPRECIATING SENIOR CITIZENS

SACSSP secretariat attended an event hosted by *Al Taawun Fi A I*, a non-profit organisation based in Ennerdale, Johannesburg, on the 16th of June 2021 to commemorate National Youth Day. This event was hosted with the support of the SACSSP, Gauteng Department of Social Development, SAPS, Africa Muslim Agency and many more sponsors. *Al Taawun Fi A I* wanted to celebrate this day differently this time. Instead of celebrating how most South African citizens would, the organisation celebrated this day with the senior citizens based around Ennerdale to appreciate the grandparents, fathers and mothers of June 16 activists.

This event appreciated and emphasized the important role elderly people have played in the upbringing of youth from generation to generation. The rights of the elderly were explained in detail by the Department of Social Development and SAPS and they were informed on how they can seek help against crime and abuse that they might experience from many quarters in their life's journey. In her message of support the Registrar, Ms Langi Malamba, reiterated the value and importance senior citizens play in our society and how they must be looked after.

These senior citizens were spoiled with goodies and blankets to keep them warm during this Winter.
